MEMORANDUM FOR: Director of Research and Development  
Director, Foreign Broadcast Information Service  
Director, National Photographic Interpretation  
Center

FROM

:

[REDACTED] 25X1  
Executive Officer, DDS&T

SUBJECT

:

Annual Review of Sensitive Collection Operations

1. The attached memorandum on the same subject from [REDACTED] of the DDO asks for our submission for this year's review by 30 September. Last year's formal submission was limited to six sensitive programs in OSO. Each of these programs was judged to be sensitive by criterion 3, detrimental to foreign relations. With respect to the FY 1980 formal submission, there were no new operations nor were there any operations deleted from the report.
